About Co-operative Development Foundation of Canada

Since 1947, CDF has been supporting projects in small villages and farming communities that help farmers to market their produce co-operatively, women gain access to credit through credit unions, communities to develop housing co-operatives and worker-owned co-operatives to produce the goods and services needed in the community. The Co-operative Development Foundation of Canada

supports the advancement of education and development without discrimination, for the relief of poverty and for community development in 20 countries.

About Saskatchewan Co-operative Youth Program

Since 1928, Co-op Schools and the Saskatchewan Co-operative Youth Program (SCYP) have educated over 43,000 young people. SCYP provides an opportunity for Saskatchewan youth to gain important life skills such as leadership, communication, co-operation, public speaking and self esteem, as well as learn about co-operatives. Through its unique approach, SCYP has contributed to the personal development of youth and encouraged their active involvement in community and co-operative organizations for over 80 years.

The logo for the Saskatchewan Co-operative Youth Program (SCYP) is located in the bottom right. It features the word 'Saskatchewan' in a small, sans-serif font at the top. Below it, the words 'Co-operative' and 'Youth Program' are written in a large, stylized, handwritten-style font. A thick, black, curved line underlines the words 'Youth Program'.

Thank you for joining us today!

Over the past 16 years, the Co-op Classic has raised over \$123,700 for the Co-operative Development Foundation of Canada and, since expanding our mandate in 2009, over \$16,500 for the Saskatchewan Co-operative Youth Program. This would not be possible without the support of our colleagues in the Co-op Sector, our friends and business associates. On behalf of co-operators in the developing world, young Saskatchewan co-operators, and the Co-op Classic Planning Committee, we thank you for your involvement and support of the Co-op Classic.
